

A) Control (n = 394)

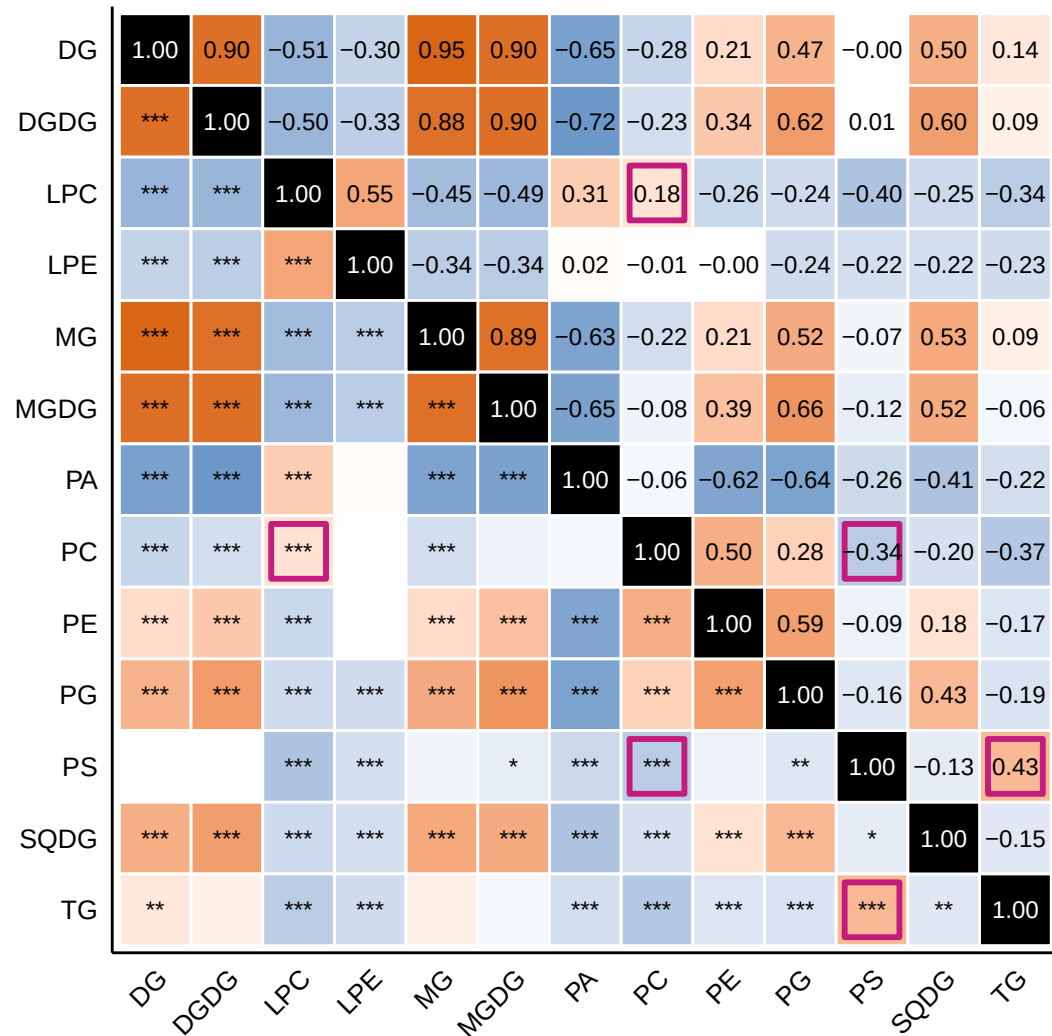

CLR-space Pearson correlation

Upper triangle: * p<0.05, ** p<0.01, *** p<0.001. Pink square: sign flip, significant in both conditions

B) LowInput (n = 363)

CLR-space Pearson correlation

Upper triangle: * p<0.05, ** p<0.01, *** p<0.001. Pink square: sign flip, significant in both conditions

C) .. Correlation

Change in correlation (LowInput - Control)
